BERNARD LUDIK

Bienvenue dans

LES LABYRINTHES DES PIRATES

Dans ce livre, tu vas explorer le monde des pirates à travers une collection de labyrinthes amusants : îles perdues, coffres au trésor, poissons rigolos, objets de bateau, animaux marins...

Chaque page est une nouvelle mission à réussir.

Avec ton crayon, ton œil de pirate et un peu de patience, tu devras : trouver le bon chemin sans toucher les murs, aider les objets et animaux du monde pirate à rejoindre leur destination, te sortir des impasses et des fausses routes, et, surtout, t'amuser en te creusant la tête !

Certains labyrinthes sont simples, d'autres un peu plus difficiles... mais tous ont une solution.

Prêt(e) à devenir le maître des labyrinthes des pirates ?

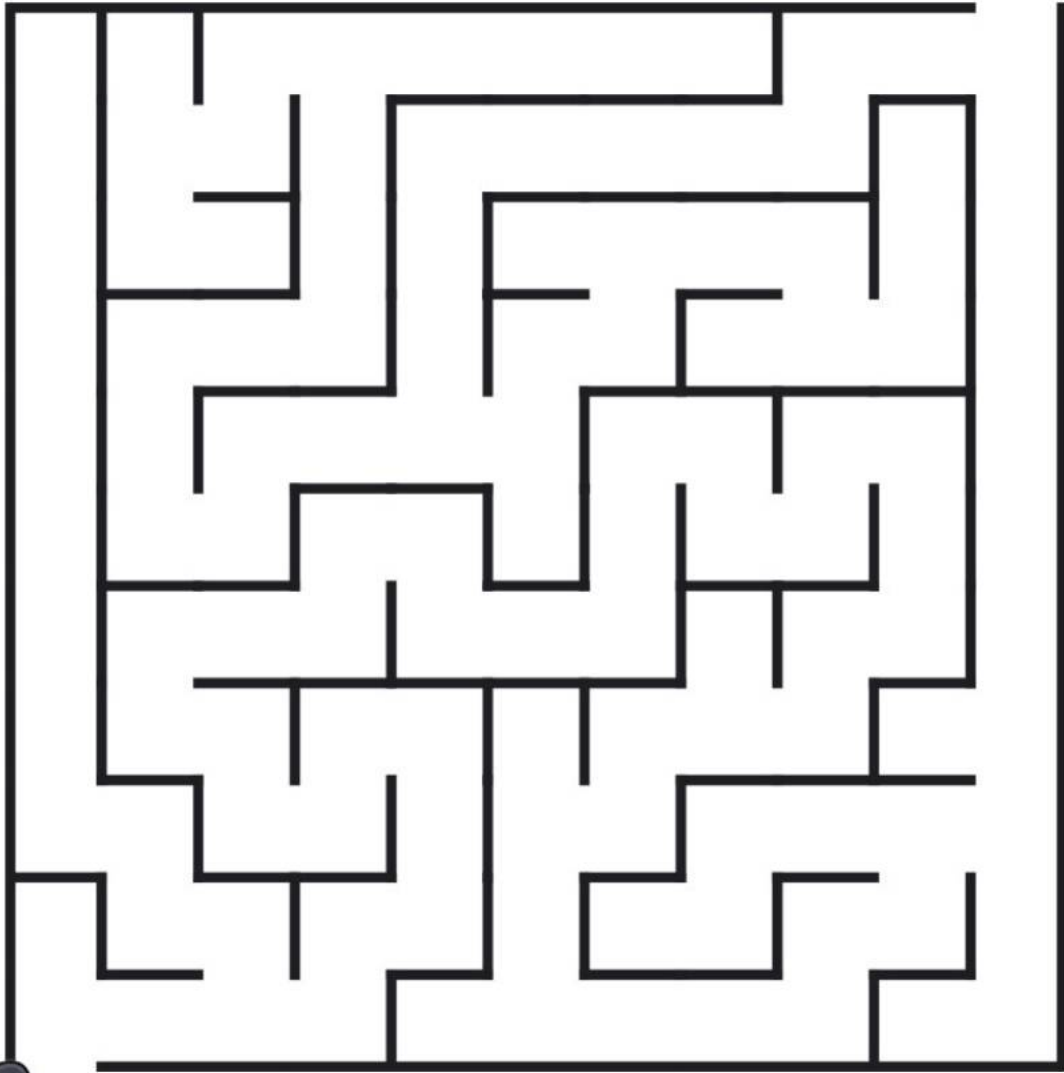

Alors installe-toi confortablement, prends ton crayon...

et en avant pour l'aventure !
